

Looking to book accommodation for your crews, for a project or for a long-term stay? **Our dedicated Crew, Project & Long Stay team are available to help you book your next trip.** Our experts specialise in booking group rates for 9+ people per night, setting up project rates for crews and finding suitable accommodation for long stays.

From traditional and budget hotels, unusual meeting venues, to apartments and self-catering – our team of experts will do the heavy lifting and find the most suitable options to fit your needs.

The Crew, Project & Long Stay team specialise in providing a tailored service:

- Our team will source, negotiate, contract and book accommodation and meeting packages designed for you.
- We will manage special requests like meals, parking requirements and flexible check-in times.
- Roomex will provide one consolidated invoice, outlining the breakdown of spend by booking or project.
- RoomexAnalytics provides visibility and control of all Crew, Project, Long Stay and meeting bookings.

How Roomex can assist with bookings:

- Book **general accommodation** via your Roomex booking platform for up to 8 travellers.
- Book **group accommodation for 9+ travellers, Project Rates and Long Stay options** with the Roomex CPL team. Email groups@roomex.com to make a booking.
- Book **meetings packages** for meetings, events and training, with or without accommodation. Email groups@roomex.com to get a Meeting Request Form.

“Thanks for all your help ... we look forward to using the service again for future events.”
Rail infrastructure client

All enquiries are acknowledged within 1 hour and a proposal provided within 72 hours.
